

Text To Give

Donating By Text

To donate by text simply:

1. Text the amount you'd like to give to (337) 508-0150 (e.g. \$50)
2. If you've donated by text before, you'll receive a confirmation text in response that your gift has been received successfully and you're done.
3. If this is your first time donating by text, you'll be given a link and asked to supply your payment method (credit card, debit card, or bank account). This payment source will then be linked with your phone number so that, in the future, all you'll need to do is text in the amount (without having to reenter your payment information).

Text Giving Commands

The following are a list of commands that the text giving system accepts:

Command	Description
\$50	Donate \$50 to your church. Users can type any amount; the dollar sign is optional (e.g. \$50 and 50 both work).
give \$50	Same as above.
give	Your online giving number will respond asking how much you'd like to give. Telling people to text 'give' to your number can be a more succinct way to communicate text giving.
\$50 weekly	Sets up a recurring gift of \$50 each week. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
refund	Refunds the previously given contribution ¹
update	Allows donor to update their payment method or recurring gift. Your text giving number will respond with a link where users can make these changes.
unlink	Unlinks a user's phone from the text to give system
commands	Provides the user with a list of the available text commands

¹ Donors can only refund their own gift with this command within 24 hours of giving the gift. If the previously given contribution started a recurring gift, the recurrence will also be canceled.
